ACADEMIC PROJECTS

Practicum Project - Landscapeplanning.ie (01/2019 - 08/2019)

- Over 6 months I worked as a lead project manager working to develop a plan to build the website, run PPC/social media advertising, and build email marketing database. I solely developed the website from scratch and performed usability testing using landscape planning insights from the client.

Paid Search Project - Migraine Association of Ireland (11/2018 - 04/2019)

- Carried out a Google Ad Grants campaign for MAI with a budget of €50,000 over 5 months, which resulted in increasing the website CTR by 2.7% and donations by 17% in four months.
